

CHARLES CROASDILL, DMD

Family & Cosmetic Dentistry

To My Wonderful Patients & Friends,

Thank you to all of you for being my patients. It has truly been an honor to have you place your trust in me. This is an announcement of my retirement. I am looking forward to having more time to pursue other interests, but I have mixed emotions as I will miss all of you and the ability to help you.

It has been my sincere goal to find a dentist to hand my practice over to who will continue to provide the highest quality of care you are accustomed to. I am thrilled to introduce to you my successor: Dr. Lars Korsmo.

Dr. Korsmo earned his dental degree from the University of Washington School of Dentistry and has been practicing quality dentistry for over 13 years. I feel very fortunate to have found Dr. Korsmo as he is a highly rated dentist who is beloved by his patients and staff. His goal is to ensure you continue to receive the best possible treatment in the same caring environment you have come to know from me and my staff.

He is excited to bring his extensive training and skills to his own neighborhood here in the North End. As an added benefit to you, he will also bring an expansion of treatment options resulting in less referred-out procedures. I know that you will be able to transfer the trust and confidence you have given me into the competent hands of Dr. Korsmo.

Thank you for allowing me to be your dentist and friend. I am grateful to have had the privilege of serving you all these years. I wish you all the best!

Sincerely,

Charlie Croasdill
